

BFR Course Cancellation Policy

BFR Course attendance is limited and thus when students register for the course, a seat is reserved for them. In the event a student who has paid the course fee desires to cancel, the following policy applies:

- Cancellation at least 72 hours in advance: 100% refund of course fee
- Cancellation within 72 hours of the event: 50% refund of course fee

Cancellations after the event or students who are absent, will not be entitled to a refund but can register for a future Course. Students can only miss or be absent for 1 course. If a student is absent for 2 consecutive courses, they will forfeit their course fee and cannot register for a future course.

Refunds based on the terms above will be processed with 3 business days and will be applied to the credit card used for the originating transaction.
